Inhalt

Song for my father 2
My funny Valentine 8
Puttin' on the Ritz 12
Didn't my Lord deliver Daniel 22

Vorwort

Der Jazz hat in das Repertoire unserer Chöre bislang kaum Eingang gefunden, obwohl es vor allem in den Vereinigten Staaten bereits eine jahrzehntelange Jazzchor-Tradition gibt. Ein Grund ist u.a. darin zu sehen, daß "jazzige" Chorsätze nur schwer erhältlich sind.

Mit der Reihe "Jazz im Chor" werden dem Chorleiter Arrangements aus dem Jazz- und Rockbereich an die Hand gegeben, die für eine Arbeit in Laienchören und leistungsfähigen Schulchören geeignet sind.

Sie bieten eine ansprechende Möglichkeit, Schüler und Laienchorsänger mit der Rhythmik, Harmonik und Phrasierung des Jazz und Rock vertraut zu machen.

Als Hilfe für die Einstudierung sind die Chorpartituren mit Akkordsymbolen versehen. Der in den Stilen des Jazz und Rock erfahrene Chorleiter wird sich damit eine eigene Begleitung zurechtlegen können. Damit auch dem eher "klassisch" ausgebildeten Chorleiter eine Arbeit mit der vorgelegten Reihe möglich ist, wird ein *Instrumental-Paket* angeboten, das ausgeschriebene Stimmen für Klavier, Baß und Schlagzeug enthält.

Christoph Schönherr

Hinweise zur Aufführungspraxis:

Bei der Wiedergabe der Sätze ist darauf zu achten, daß dem Stil entsprechend entweder triolisch (Swing) oder "gerade" (Rock, Latin, etc.)  phrasiert wird.

Im Swing ist ferner zu berücksichtigen, daß demnach alle "vorgezogenen" Noten nur um ein Triolenachtel vorgezogen werden, also:

Zur Intensivierung des Klangs ist eine zusätzliche Besetzung des Alts durch hohe Männerstimmen denkbar. Dies ist gängige Besetzungspraxis in professionellen Jazz- und Rock-Gesangsgruppen. Bei der Arbeit mit Schülern und Laien sollte dies jedoch von Fall zu Fall vom Chorleiter entschieden werden.
